

I. C. U.

Deep Cleaning Pre-Finish Detergent

Directions For Use:
IMPORTANT! READ THE LABEL FIRST!

I. C. U. is a powerful detergent concentrate that will prepare your floor for application of new coats of Tile Doctor floor finish. I. C. U. attacks ground-in dirt.

I. C. U. is a concentrated chemical. Do NOT allow to come in contact with skin or clothing. NEVER use without diluting with water. Mix 2 to 4 ounces per gallon of water.

First Aid

For eye contact: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first five minutes, then continue rinsing.

For contact with skin or clothing: Immediately flush skin with plenty of water while removing contaminated clothing or footwear. See a physician for further treatment advice. Wash clothing thoroughly before reuse.

For inhalation: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial resuscitation, preferably mouth to mouth. Call a doctor for further treatment advice.

For Ingestion: DO NOT induce vomiting. Drink one cup of water as soon as possible to rinse throat. Immediately call poison control or doctor for treatment advice. DO NOT give anything by mouth if unconscious.
