

Prescription

Optimum Wear Floor Finish

Directions For Use:
IMPORTANT! READ THE LABEL FIRST!

Prescription is an extremely durable finish for VCT tile that produces a high gloss film that is perfect for heavy traffic retail floors. Delivers a deep, beautiful shine when properly maintained. Stays clear and NEVER powders or yellows.

Apply a minimum of 3-4 coats using a clean finish mop or applicator. To reach desired gloss and protection, apply additional coats as necessary. Allow floor to dry thoroughly between coats.

Prescription can be easily removed with **Bonesaw stripper.**

Maintain with **Therapy neutral cleaner or **Booster Shot** maintainer. For best results, buff with light hair pad.**

Prevent eye and skin contact. Wear safety goggles & rubber gloves when handling. Keep off clothing. Wash thoroughly after handling.

First Aid

For eye contact: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first five minutes, then continue rinsing.

For contact with skin or clothing: Immediately flush skin with plenty of water while removing contaminated clothing or footwear. See a physician for further treatment advice. Wash clothing thoroughly before reuse.

For inhalation: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial resuscitation, preferably mouth to mouth. Call a doctor for further treatment advice.

For Ingestion: DO NOT induce vomiting. Drink one cup of water as soon as possible to rinse throat. Immediately call poison control or doctor for treatment advice. DO NOT give anything by mouth if unconscious.
