

Therapy

Neutral pH Floor Cleaner

"The Cure for Dirty Floors"

Directions For Use:
IMPORTANT! READ THE LABEL FIRST!

Therapy is the perfect choice for keeping your floors looking clean and healthy. Therapy is formulated to be safe for daily use on your finished floors.

- * Will not leave a film
- * Will not haze your shine
- * Does not harm your floor finish
- * Very Concentrated formula

Therapy can be mopped on or used in an autoscrubber.

Therapy is a concentrated chemical. Do NOT allow to come in contact with skin or clothing. NEVER use without diluting with water. Mix 1 to 2 ounces per gallon of water.

First Aid

For eye contact: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first five minutes, then continue rinsing.

For contact with skin or clothing: Immediately flush skin with plenty of water while removing contaminated clothing or footwear. See a physician for further treatment advice. Wash clothing thoroughly before reuse.

For inhalation: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial resuscitation, preferably mouth to mouth. Call a doctor for further treatment advice.

For Ingestion: DO NOT induce vomiting. Drink one cup of water as soon as possible to rinse throat. Immediately call poison control or doctor for treatment advice. DO NOT give anything by mouth if unconscious.
